Critical Infrastructure Exempt Worker Certification
Per 42 U.S.C. § 519c (e) and CDC Guidelines

ISSUED TO: _____

Essential Critical Infrastructure Workforce

Arlington County provides functions deemed critical to or in support of those designated as Essential Critical Infrastructure under 42 U.S.C. § 519c (e), including public health, public safety and essential government operations.

The individual carrying this letter either in hardcopy or electronically on their smart phone or tablet device is deemed an “essential contract employee” in government operations of critical water/wastewater infrastructure with priority access and exemption from shelter-in-place requirements in order to perform their duties.

This individual must be allowed priority access and right-of-passage to and from their assignments with Arlington County Government to ensure that government can support and provide critical services in the National Capital Region per Presidential Policy Directive 21 (PPD-21) on Critical Infrastructure Security and Resilience.
